My dear Mr Kauffmann,

I have your note of the 6th instant in regard to the Corcoran Medals.

I concur with you in thinking that the Gallo should be charged with the task of engraving the names of the successful competitors. The inscription you suggest for the silver medal seems entirely apposite.

When the Medals are ready will you kindly hand them to the recipients, and

accompany each with an appro-
priate letter? By so doing you
will oblige

Yours most truly,
James C. Welling

Dear Sir:

I have been applied to for Lantern slides of the Statuary and Statuary Hall also of the building to serve as illustrations of an article (or Paper rather) to be read before the convention of Scientists at Cleveland - The party can secure his slides by using the prints published by the gallery but of course prefers them from the negatives - It is not a trade matter - and I hope you will have no objection to my making the slides -

Yours Respectfully

My dear Mr. Hale

When I was in Winchester
last autumn, I learned that a
very fine painting by Benjamin
West had been removed from
its position in the screen of
the Cathedral, and that the
Dean and Chapter would be
glad to dispose of it, as it
can hardly return to its old
place when the screen is
restored -

The subject is the Raising
of Lazarus and the picture

is acknowledged to be one
of West's finest works -
It is mentioned in the
list of his paintings among
the eight great pictures -

Being a Boston woman,
I naturally thought it would
be very delightful if the
Art Museum could gain
possession of it - but I
know no one connected with
that Institution to whom
to write -

If you think anything
can be done about purchasing
the picture - the Rev. G. W. Peckham
Dean of the Cathedral, would
be very glad to answer any
questions or give further
particulars if he were addres-
ed upon the subject -

I learned this from one
of the Cathedral clergy - the
Rev. Mr Madge - at whose
house I was staying - and
he also gave me a photo-
graph of the screen and
painting which I will send
you -

I hope I have taken the liberty
of writing to you will
knowing how interested
